## DIAMOND'11 Annual Conference

14-15 December 2011  
Transport Museum  
Coventry, UK

Come and join us at the third annual conference of the DIAMOND Consortium and learn about recent advances in this exciting university research programme, targeting clean-up of the UK's civil nuclear sites. The conference will bring together industrial stakeholders and researchers from all academic member institutions, offering an ideal opportunity for interaction and ideas generation.

Contact Jim Young for further information and registration details:
